### DIGITIZING PRINT PHOTOS

#### ALOHA ORGANIZERS IN-HOME SCANNING [LOCAL]

[www.hawaiiphotoorganizing.com](http://www.hawaiiphotoorganizing.com)

- Working with our own high-speed photo scanner in your home, connected to your computer
- Scan all types of printed media
- Like sizes together
- 3 different resolutions 300, 600, 1200 DPI
- Charged by the hour, with scanning speed dependent upon what resolution you prefer

#### FOREVER

[www.forever.com](http://www.forever.com)

- Converts outdated media
- Provides three-way shipping for your items
- Allows you to track your items step-by-step throughout the digitization process
- Offers competitive prices plus frequent deals and discounts
- Provides three-person, in-house quality review for each digitized memory
- Prioritizes “do it right” quality over “push it through” volume
- Provides permanent photo, audio, video, and document storage so you never need to convert again (separate fee)
- Provides the ability to create beautiful photo books, wall décor, and other photo gifts from your digitized memories
- Offers personal training and support from a FOREVER® Ambassador

## **RAINBOW PHOTO – HONOLULU, HI [LOCAL]**

[www.rainbowphotovideo.com](http://www.rainbowphotovideo.com)

- Scan everything
- 2 different resolutions 300, 600
- Negative and slide scanning and video tape transfers
